Envisaged Project Start: 01/2017

CapaCity – Urban Competences

November 2nd, 2016

A format
of

CapaCity – Urban Competences

The Ambition

- The program **CapaCity – Urban Competences** pursues a more deepened international cooperation between the City of Vienna, its organizations, partner organizations from Vienna and other cities in CEE & SEE.
- Integrated urban development as holistic smart city approach is the main aspect of future activities within the program **CapaCity**.
- The programme is funded and thematically supported by the **Municipal Department 27 - European Affairs** of the City of Vienna

CapaCity – Urban Competences

The Background

- Continuation of cooperation in the Danube region and beyond. The DonauHanse network as predecessor program of **CapaCity**
- Focus by the City of Vienna on the internationalization of organizations and companies.
- **CapaCity** as catalyst for grand international interest in Vienna solutions.

CapaCity – Urban Competences

The Activities

- Among others, the following activities are designed within the project **CapaCity**:
 - *Statistics about interest in Vienna urban solutions.*
 - *Research on and collection of relevant challenges for future urban development*
 - *Organization of workshops in selected cities and towns with participation of Vienna stakeholders.*
 - *Project ideas and activities on the basis of organized workshops in CapaCity partner cities and beyond.*

CapaCity – Urban Competences

The Topics

- Diverse sectors and topics are relevant for workshops within **CapaCity**. Among others these are:
 - *urban mobility and transport planning*
 - *strategies for tourism development*
 - *urban development visions*
 - *district heating and –cooling*
 - *integration and diversity policies*
 - *PPPs (private-public partnerships) for cities and municipalities*
 - *new governance for cities*
 - *Infrastructure optimization*
 - *urban planning models*
 - *land use planning*
 - *urban structural renewal and –development*
 - *environmental technologies and waste management*
 - *urban disaster management*
 - *Etc.*

CapaCity – Urban Competences

The Heritage

Day 1

Day 2

Day 3

Open panel-discussion with **host city, partner cities, external experts and planers from the region** about aspects of urban quality like

- Quality and identity
- Critical mass
- Connectivity
- Human scale
- Promotion & marketing
- Process

Reference Seminar

Study Visit

Implementation Laboratory

Policy Recommendation Meeting

CUPA

The Partner Cities 2010 - 2015

CapaCity – Urban Competences

The Partner Cities 2010 - 2016

CapaCity – Urban Competences

The Program Management

- TINA Vienna GmbH, the Smart City Vienna Agency, is responsible for the overall management of the **CapaCity** program.
- TINA Vienna provides expertise, analyzes and coordinates above mentioned topics in order to integrate City of Vienna stakeholders and Viennese companies in the activities of **CapaCity**.

CapaCity – Urban Competences

The Aim of Workshops

General aim of an **CapaCity** Workshop is to investigate as a group both new and persistent urban problems as they relate to sustainable city development.

Workshops develop measures and potential future activities in order to work together as City of Vienna and host city for a workshop.

Arbeitskreis Wirtschaft, Tourismus und Verkehr

Next steps

- Operationalisierung der Arbeitsprogramme und Ableitung konkreter Aktivitäten.
- Identifikation der Synergien zwischen EUSDR und dem Arbeitskreis.
- Kommendes Treffen der Leitenden Beamten – 1.12.2016
- ...
